

Message from
Engr. Husnain Ahmad
President
Pakistan Engineering Congress

Dear Members

Assalam-o-Alaikum!

I hope and pray for your health, well-being and prosperity. Golden Jubilee Edition (October – December 2009 and January – March 2010) issues are in your hands. It was humbly requested that in order to enable timely issue of the Journal, your contributions of quality papers is a sine qua non. Accordingly, we are waiting for response from your kind self and to avoid any further loss of time the papers may be conveyed to the congress office by email apart from your valuable observations and suggestions for improving the standard of the Journal.

Also the list of papers contained in the Journals of Institution of Civil Engineers (U.K.) is being published in this issue. Photocopies of the papers which contain research on important topics can be had on demand by members from the Congress Library now open from 9:00 A. M. to 9:00 P. M. on all working days. You may also recommend books for addition in the Library.

The congress is also conducting professional Computer Courses at extremely subsidized Fees, a list of which can be seen on the reverse of the back title of the Journal. Members including their kith and kin can also benefit by enrolling for these courses.

A word about the contribution of the Congress in the furtherance and felicitations of engineering studies at graduate level. In addition to 144 - scholarships instituted earlier for full 4 - year span of these studies, the Congress recently instituted 100 - additional scholarships of Rs. 3000 per month amongst 17 - Engineering Universities on all Pakistan basis. Disbursement of the scholarship funds has already commenced.

With best regards,

Yours sincerely

(Engr. Husnain Ahmad)
President
